

DIOCESI DI FAENZA-MODIGLIANA
REMINDER FOR VOLUNTEERS

To be ready for service, the volunteer must:

- wear the mask and the diocesan identification mark
- lock the church doors, so that they stay open
- prepare what needed: information poster, hand sanitising gel, some masks for those without it
- sanitise his/her hands with the gel
- wear disposable gloves

At churchgoers arrival, the volunteer must:

- check that no gatherings are formed and that people in line respect the distance of 1.5 meters
- warn the churchgoers that they cannot enter in the presence of flu / respiratory symptoms, nor with temperatures equal to or higher than 37.5°C, nor if they have been in contact with people positive for SARS-CoV-2
- check that everybody wears a mask without a valve, covering entirely their nose and mouth, and sanitise their hands with gel
- invite each person to sit in a free place, the furthest from entrance
- be careful not to let more people enter than the allowed maximum

At the end of the celebration, the volunteer must:

- guide the outflow of people, starting from the benches closest to the doors, ensuring that the distance is maintained and that no gatherings are formed.
